

The Nevada Youth Empowerment Project

gives homeless young women (18-24) in the Reno area a chance to reroute their lives through a structured program that provides housing and basic needs, life skills training, opportunities to practice new life skills, and the support and love of a family.

“NYEP and its Community Living Program are critical in effectively building the continuum of housing for homeless youth. Consider donating to this organization if you are looking for a high-performance agency.”

– Hillary Schieve, Reno Mayor

NYEP is 100% community funded. Our residents thrive when members of the community, like you, join the NYEP Army.
